## My Research Work

[Back to top](#)

I am assigned as Military Faculty to the Naval Postgraduate School Computer Science Department and am simultaneously pursuing my doctorate. Among other things, my research concerns Software Engineering and Control Software for the NPS *Phoenix* robot minisubmarine.

View [my Master's Thesis](#) in HTML format.

Visit the Naval Postgraduate School's [Center for AUV Research](#), where I am the Webmaster.

In my copious free time I started the [NPS Computer Club WWW page](#) and included a page with some good [Thesis Research Starting Points](#).
