Housing

The Parks at Monterey Bay, the peninsula's privatized military housing office, offers homes in four residential areas on the peninsula all of the areas are within a 20 minute drive to campus.

Single and unaccompanied military personnel are authorized to reside in military housing as well as those service members with families. Housing is available for all ranks and is assigned on a first-come, first-serve basis. There is no waiting list and no appointments needed. The Parks at Monterey Bay will not assign housing until you are ready to move in. New homes are assigned to incoming military families based on availability.

The cost of off post/temporary housing is high because Monterey is a resort/high cost area. A Navy Lodge is available near campus to accommodate military families - at an affordable rate. The telephone number is toll-free 800.628.9466 (800-NAVY-INN). [Read more about Housing here](#).
