each other month, there is a Wives Come Together hosted by one of the many countries here at the NPS. This event is a wonderful opportunity for all the wives to spend some time together, to learn about another country, and to have a taste of each country's culinary specialties. The International Committee provides new students a welcome packet that contains useful things for their first days in Monterey. The IEC also provides furniture for rent from furniture locker for a nominal fee. The international students and their sponsors hear about the IEC activities via electronic mail (e-mail) and this homepage. We are updating our email list for the spouses. If your spouse has a personal email address and would like to receive information on upcoming International Committee Activities, please provide her/his email to [family@iec-nps.com](mailto:family@iec-nps.com). For more information please send us an e-mail to [info@iec-nps.com](mailto:info@iec-nps.com).
