Labor Day Concerto No. 2

A large crowd gathered on the lawn here for the annual Labor Day outdoor pops concert of the Monterey Bay Symphony. Tenor Myles Williams, of Carmel, formerly of the New Christy Minstrels, was the featured singer. Instrumental soloist was Leah Bayes, violinist daughter of co-conductor Jack

Bayes.

This was the second Labor Day concert here.

The concert was the third of a projected series of four free outdoor pops concerts at NPS.

A Columbus Day concert is under consideration at this time.

I.Q. test to be administered

Mensa, "the international high I.Q. society," will administer qualifying tests in Salinas on Saturday afternoon, Sept. 21. Reservations should be requested by writing, no later than Sept. 12, to Mensa Test Proctor, 1029 Forest Ave., Pacific Grove, CA 93950. The test fee is \$25.

About 20 percent of the Mensa members in Monterey County are active or retired military personnel, dependents or

civilian employees of the services. The chapter's main social event each month is held on a military installation.

Membership in Mensa, which has chapters throughout the nation and the world, is open to all who score within the top 2 percent of the general population on standard I.Q. tests. Individuals might already qualify for Mensa without further testing if they have obtained a score above the 98 percentile on the Scholastic Aptitude Test (SAT) or on certain Armed Forces tests.

Information about future test dates, qualifying scores on other tests, etc., may be obtained by writing the test proctor.

For more information about Mensa International or Monterey County Mensa, call 449-6398.

Security at La Mesa

A number of questions have arisen lately concerning the security patrol and other security measures at the La Mesa residential neighborhood.

The police officer-in-charge of security in the neighborhood said, "There is a 24 hour security patrol in the area that includes foot patrols as well as car patrols.

"There is always a minimum of one patrol car in the La Mesa neighborhood with a back-up unit always available," Capt. Angela Fore, NPS base police officer, said. "Residents may only see one unit, but actually there are two working the area." There is no mileage limit to the distance that a patrol car can drive during a shift.

Fore said units in the area are beefed-up whenever there are any noticeable signs of increased

Recognition Day for POW/MIA set

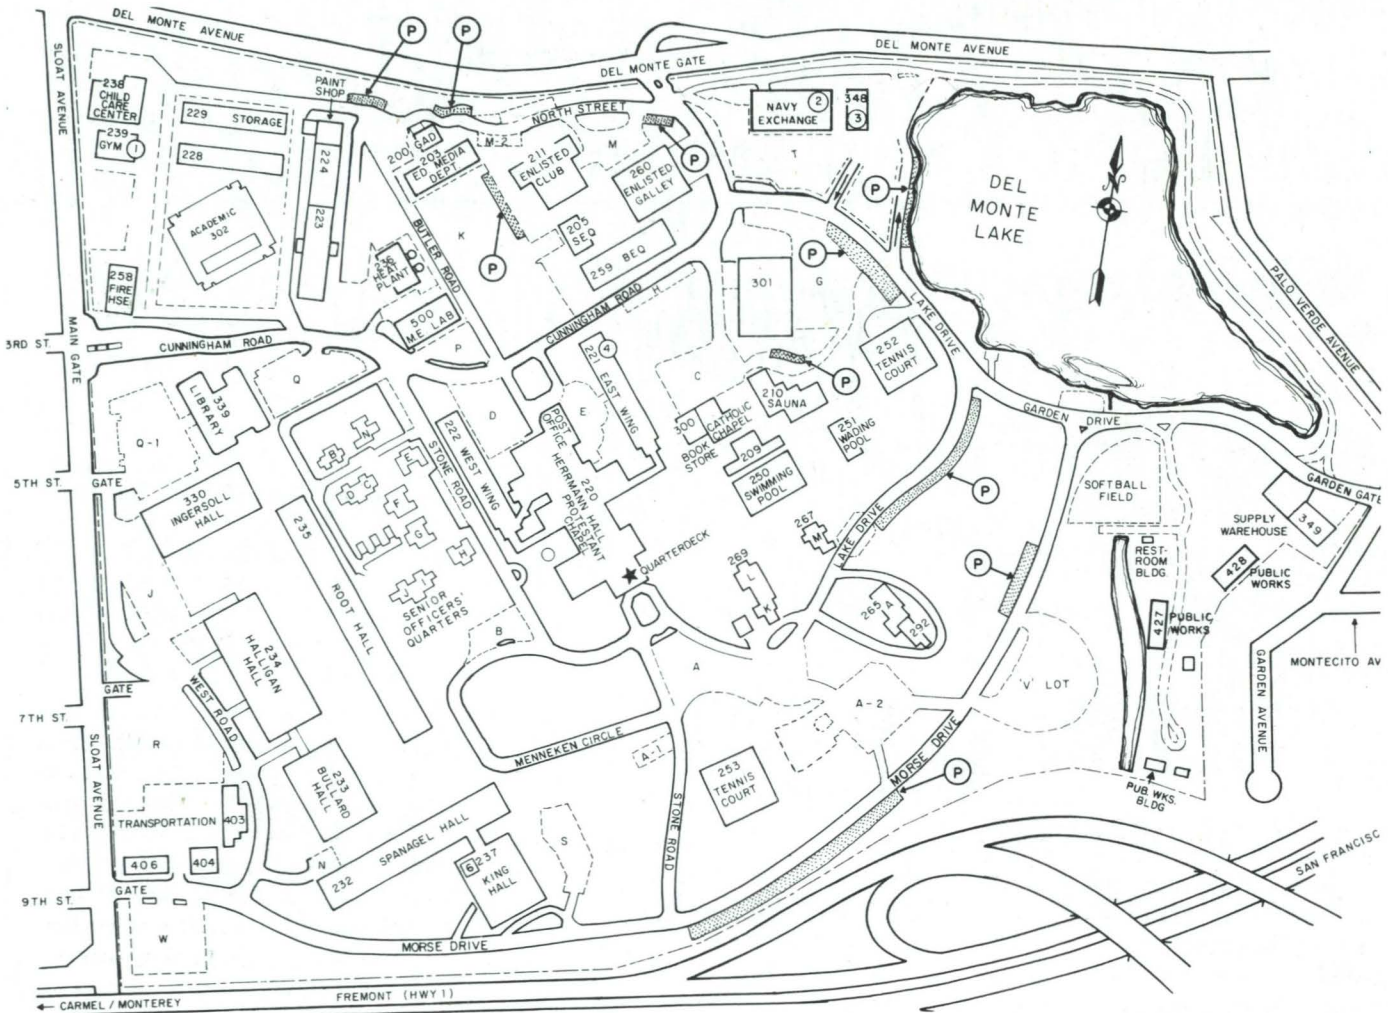

A POW/MIA Recognition Day breakfast will be held Thursday, Sept. 19 in Herrmann Hall's La Novia Room from 7 to 8 a.m. Cost for the breakfast will be \$4 per person.

Keynote speaker will be Lt. Col. Wayne Rosenhoff, USA(Ret.).

Rosenhoff was a P-38 and P-51 pilot who was captured in September 1944 after a dogfight and mid-air collision with a German Messerschmidt ME-109 over central Germany.

The war ended 11 days later, with Rosenhoff remaining in Stalag 1, Barth, Germany for eight months before repatriation and release.

Additional parking spaces designated

Legend: circle P denotes new parking

As the parking survey concludes today, nearly 165 additional spaces have been identified around the campus.

NPS Police Chief William Talbert said his department responded to a request to scout the entire grounds for potential parking spaces.

"We considered every location where the necessary safety aspects of traffic flow and backing out could be maintained," Talbert said.

Progressing clockwise from the arrowed "P" by the Paint Shop on the accompanying map, new parking spaces are as follows:

- 10 parallel spaces across North Street from Paint Shop.
- 4 parallel spaces across North Street from Police Station.
- 3 parallel spaces between "K" lot and EM Club.
- 3 parallel spaces north of Enlisted Galley.
- 5 parallel spaces adjacent swimming pool/bath house.
- 20 straight in spaces along Lake Drive adjacent "G" lot by Campus Corner.
- 18 parallel spaces along Navy Exchange entrance by lake.
- 30 parallel spaces along Lake Drive across from tennis courts. (Not on the lawn.)
- 15-20 angled spaces on Morse Drive north of "V" lot.

- 45-50 angled spaces on Morse Drive south of "V" lot.

These spaces are available beginning Monday, and will serve as short term replacements for the spaces lost due to the closure of lot "V". The results of the parking survey will be used to develop a longer term solution to NPS' parking shortage.

Car-pooling, walking, busing, and being dropped off are all encouraged to limit the number of cars on campus each day.

Navy's Birthday Ball

The 216th Navy Birthday Ball will be held Saturday, October 19, in the Barbara McNitt Ballroom.

The opportunity to purchase tickets for this event will be decided by a ticket lottery. Lottery forms with instructions are located on the table outside Family Services Center, basement of Herrmann Hall. Participants are asked to return the completed lottery form in an envelope addressed to "Navy Birthday Ball" through the SMC mail.

Submission of applications will end Monday, Sept. 9.

A waiting list of names will also be drawn and those individuals will be notified if space becomes available. The individuals who are selected will be given instructions on how to purchase tickets by 4 p.m., Friday, Sept 13.

Ticket purchases must be made by 4 p.m., Tuesday, Sept. 17 at a cost of \$32.50 per person or \$65 per couple. Unsold tickets will be made available to the names on the waiting list in the order in which they were drawn.

For more information call Katherine Muhlbach at 649-1699.

New services for health

Federal employees will find major new services covered by their health insurance plans next year, but a recent move to require carriers to standardize coverage died quietly.

Federal employees' health benefit plans next year will cover bona fide smoking cessation programs; screening mammograms, which doctors recommend for women for early cancer detection; and up to \$50,000 for expenses related to the treatment of mental illness.

New job hotline

The CPO now has a job information hotline.

The hotline is updated every Friday. It lists positions that are available to DoD federal employees and also positions which are exempt from the DoD hiring freeze where other categories of applicants are able to apply.

The number of the hotline is 646-2001 or AV 878-2001.

crime." Rumors that an entire house was emptied are completely unfounded, but there has been increased vandalism in the construction areas.

Patrol cars routinely park in and around areas that have been trouble spots. Fore said, "the officer in the patrol car conducts observations and acts as a deterrent to crime."

Also units check all quarters that are currently vacant and quarters of out-of-town residents.

Fore recommends that residents take precautions against possible crime. "People should ensure they lock their cars, store their belongings in a secure manner, and watch for suspicious people," she said.

Academic retakes Captain's Cup with 7-4 win

A two run double off the bat of Bill Lundquist in the sixth provided the edge as Academic Division recaptured the Captain's Cup in a 7-4 Socco Softball Championship win over PSD/S/H at NPS's Sparks Field.

In the top half of the first inning, PSD/S/H's Coach Rick Skelly produced the game's first RBI which was immediately answered by Academic with two runs in the bottom half making the score 2-1.

With some hot sticks and fine fielding by Robert Brown and Michael Cherry, PSD/S/H held Academic scoreless while driving in three-runs in the next three-innings.

The 5th inning began with flyouts to Timothy Geirk and Mark Robinson. Great infield play from Academic's Sidney Calloway and Kelly Richards shut down the PSD/S/H hot-streak.

Singles from Terry Thomas and Michael Scheivelbein, in the 6th inning, were followed by Lundquist's RBI double

that dashed whatever hopes PSD/S/H had of retaining the Cup.

Two more runs were scored by Academic before the final out.

The Captain's Cup that PSD/S/H has

held since winning last season's volleyball tournament, now sits with the Academic Division at least until the end of the basketball season. (submitted by ETI Kelly Richards.)
