THE RICHARD HAMMING FACULTY AWARD FOR INTERDISCIPLINARY ACHIEVEMENT

1. Background

a. Mrs. Wanda Hamming has provided the NPS Foundation with the means to fund an annual award for achievement in interdisciplinary activities. Friends of the NPS Foundation have also contributed to this award.

b. The awardee receives \$2,500.00 and an engraved plaque provided by the Naval Postgraduate Foundation.

c. This award may be given annually at an awards ceremony according to the schedule in enclosure (1). It is open to all faculty instructor positions, both tenure track and non-tenure track. Under suitable conditions, the award may be shared between two (or more) recipients, particularly if there is collaborative work. The award need not be made every year.

2. Action

a. The responsible action officer is the Provost.

b. Faculty may nominate other faculty as well as themselves. All nominations should be no longer than two type-written pages in length, and should include the following information:

(1) A brief description of the activities undertaken and how they support interdisciplinary courses or curricula at NPS.

(2) The role or involvement of NPS students in the work.

c. A faculty committee, constituted annually by the Provost, will collaborate with the Foundation via the Foundation Liaison in selecting the award recipient.

d. This award recognizes innovative accomplishments that support and enhance interdisciplinary activities at NPS. Such contributions might include creative course materials in interdisciplinary courses or particularly effective mentoring of students in interdisciplinary courses or curricula. Research that advances interdisciplinary solutions to contemporary military problems and issues will enhance the nomination. Favorable consideration will be given to efforts that involve NPS students in a collaborative manner and to efforts that show evidence of having been particularly stimulated and nurtured by the NPS environment.

e. The award plaque and check shall be coordinated through the designated NPS Foundation Liaison.
