Bluejackets Open Season This Week

The Blue jackets were eliminated from the Pacific Grove pre-season Tournament when they lost to the Cal Van Team by a score of 5 to 2 in their second game last week. The best the Bluejackets could do that night was to collect five hits. Williams, on the mound for the Bluejackets for the first time this year, in previous practices has had very good control and a lot of speed, but was a little wild that night giving up eight free passes to first and eight base hits. Chief Storekeeper Elendhart who recently reported aboard with considerable baseball experience has taken over the job of managing the bluejackets, which will be a great asset to the team.

The season opens this week.

It Die Leads Intramurals

B Division leads the softball intramural enlisted leagues with six wins and one loss. Starting next week, only one game per week will be played to avoid interference with varsity games.

Individual Tournaments Announced

Individual Tournaments in golf ("Medal" play), and tennis singles and doubles are planned for the period beginning 13 June. Officers of the General Line School, Superintendent's Staff and Administrative Command are invited to sign up for these competitions in Room 4-104 prior to 5 June. These are strictly for individuals, and have no connection with the Iron Man competition.

Saturday, 23 May

THE VANQUISHED - John Payne, Jan Sterling (Color) (Good rating) A big, splashy action dance in the aftermath of the Civil War in the latest production venture of William H. Pine and William C. Thomas. Made in a standard narrative framework, the picture boasts color by Technicolor, a good flow of action, and from the seven songs by Harold Arlen, "It Was a Very Good Year." The picture should have little trouble pleasing the average action fan.

Tuesday, 26 May

STALAG 17 - William Holden, Don Taylor (Excellent rating) Life in a Nazi prisoner of war camp is depicted with a dramatic rush of events in "Stalag 17."
