Where are the URL Officers?

How do we address the problem?

“NPS must provide education to officers wherever they are...”

(NPS Strategic Plan)

...the NPS mission includes finding ways to provide graduate education not only to those officers who can come to the Monterey campus, but also to those who cannot.

EMBA Program Rationale

**Why an EMBA for Navy
URL officers - - -?**

**Because the Navy is a
\$100B++ Annual
Business!!**

“...it is important that our leaders understand sound business practices so that we can provide the greatest return on the taxpayer’s investment.”

**ADM Vern Clark, USN
Chief of Naval Operations**

The Business End

(Total Obligation Authority - TOA)

	<u>FY03</u>	<u>FY04</u>	<u>FY05</u>
DoD TOA =	\$368B	\$381B	\$402B
USN TOA =	\$108B	\$112B	\$119B

“ We’ve got to figure out a way to get people to recognize the possibility for resource expenditure for every decision they make. There is no free lunch here.”

**ADM William Fallon, USN
Commander Fleet Forces Command**
