Things look pretty blissful aboard the Navy Destroyer, USS John W. Thomason. With the addition of Deep Sea Glandour, Beldam style. It's really a thrill for Universal Studios Star, who was on board for "Day of the Day" festivities held at Santa Cruz, California recently.

Admiral Phillips B. Farquhar of San Francisco, California is convinced that naval hair must have glamour - at least when there's a Russell Brothers aboard the Destroyer, USS John W. Thomason. In real life she is a Beldam, Universal Studios Star, on board for "Day of the Day" festivities at Santa Cruz, California recently.
