RESUME OF CARLYLE HILTON WASH

Carlyle H. Wash was born in Fremont, Ohio on March 28, 1947. He majored in meteorology at University of Wisconsin receiving a Bachelor of Science with honors in 1969. At graduation he also received the American Meteorological Society undergraduate paper award, the Macelwane prize. He attended Naval Officer's Candidate School and was commissioned an Ensign in USNR in 1970. He served as forecaster and satellite officer at Fleet Weather Facility, Suitland from 1970 to 1973, receiving the Navy Achievement Medal. He returned to University of Wisconsin for his graduate education receiving a Master of Science in 1975 and Doctor of Philosophy in 1978.

After graduation he was an Assistant Scientist and Lecturer at University of Wisconsin. During the period of his graduate studies he was selected to attend the National Center for Atmospheric Research's summer colloquim on weather forecasting.

In 1980 he joined the faculty in the Department of Meteorology at Naval Postgraduate School as Assistant Professor and was promoted to Associate Professor in 1984. His research interests are in satellite meteorology, weather forecasting and dynamics of extratropical cyclones.

He is a professional member of American Meteorological Society, National Weather Association, National Geographic Society, Sigma Xi and Phi Kappa Phi.
