The Auditors Are Here

If an internal auditor visits you and begins to ask questions, make notes, look at records, or count items of stock or if you have been visited already, you need have no misgivings. The questions, notes, and the rest are to assist management at the School and in the Navy Department in ascertaining the greatest possible value out of every dollar in the budget.

An internal audit team from the U. S. Navy Audit Office in San Francisco began an audit of the PG School on 7 April. Three of the four men are CPAs and they have conducted many commercial audits. Their findings and recommendations in the area assigned for audit will be forwarded directly to the Comptroller of the Navy after discussion with local management.

The auditors employed in the program are experienced accountants and fiscal analysts. It is their job to inquire into all fiscal and accounting matters at each activity they audit. The product of their inquiries is an evaluation of performance in financial, accounting, and allied functional areas, and adequacy of the internal controls. The internal auditor does not perform a detailed examination of all financial and accounting records and transactions. He asks questions and he observes. He also studies prescribed fiscal controls to determine the extent of their reliability. He has learned that inadequate controls may frequently result in leaks that permit dollars to trickle away. He tests the accuracy and completeness of accounting and statistical data which are the basis of the budget estimate, because the estimate can be no better than data on which it is based. He examines the safeguards established to prevent the loss or misuse of supplies and materials and certifies that the laws and administrative regulations regarding fiscal and accounting functions are followed.

GLS Sub Cruise

The submarine USS BLENNY (SS 324) arrives in Monterey Bay this afternoon to take approximately 50 officers of the General Line School, in three separate groups, aboard on Saturday. The officers will stand instructional watches in various parts of the submarine as they receive indoctrination and practical experience in its operation and functions during maneuvers and dives. The BLENNY is commanded by Cdr. J. G. Bryant.

Folk Dancing Planned

Interested in folk dancing? The City of Monterey recreation department is starting a series of folk dancing sessions due primarily to requests of naval personnel. The first session will be from 8 to 10 p.m., tomorrow evening, 11 April, at the Palter Colton School, Monterey. There is no charge. The leader will be Mr. Larry Ledig. A short instruction period followed by application of the lessons learned will be the program. New dances will be taken up each week. In order to insure the success of this program, a good attendance is required. If interested, show up Saturday night and get folk dancing off to a good start.

WHERE'RE THEM EGGS?

More than 1,000 came to an Easter Egg Hunt last Saturday afternoon. The two students' wives' clubs sponsored the hiding of 3,600 colored eggs by the Easter Bunny for all the children. The children in the picture are being gathered by age groups prior to the big hunt. Winners of age groups were: Under 2, Ellen Schoonak; 2-3, Tommy Gerecke; 4, Steve McMahon; 5, Peter Colegrove; 6-7, Phillip Basquin; 8-9, Cathy Copples; 10-12, David Hooebrugger. In charge of the various age groups were Dorothy Elough, Adine Carl, Beverly O'Brien, Rosemary Haselton, Mary Baldwin, LaVerne Gargis and Peggy Landrop.

West Coast Navy League Convention Here

A three day West Coast Navy League Convention will be held in the facilities of the Naval Postgraduate School next week on 16-18 April. About 30 executives of the Navy League Councils of the 11th, 12th and 13th Naval Districts as well as the commanders of those districts and the Commander Western Sea Frontier will attend. The Navy League is often called "the civilian arm of the Navy" and is composed of patriotic civilians interested in the defense and welfare of our nation through a strong Navy.

TOUR WEEK

Last week was tour week from British Admiral Sir Guy Russell to about 100 high school students of the Science Clubs of Northern California. In picture at left, Chief J. M. Mann, 100, shows Dave Bentil and Murray Turoff of the Science Clubs of San Jose and San Francisco, some Lissajou figures (star designs) on an oscillograph in the electrical engineering lab. At right, Admiral Sir Russell is shown the thesis project of Lt. C. H. Blair and C. K. Donaldson of Sec. HLS who are doing a search in methods of increasing the life of batteries. L. to R.: Capt. U. S. Brady, U. S. Naval aide to Admiral Russell; Rear Admiral Hooebrugger, Dean R. S. Glasgow, Admiral Sir Russell; Prof. C. V. D. Terwilliger, Chairman of the Department of Electrical Engineering.
USO MONTEREY

SATURDAY, 11 APRIL
2000--P.G. Community Concert -- some tickets available at USO
2030--Saturday Night Dance
2145--Lobby Sing

SUNDAY, 12 APRIL
1400--Deep Sea Fishing Trip (reservations requested)
1530--Sunday Musical
1830--Family Supper - AAUW your hostess
1930--Lobby Sing
2000--Stage Show
2100--Movie "Between us Girls"

MONDAY, 13 APRIL
1945--Hi-Y Club
2000--Ping Pong Tournament
2030--Gilbert & Sullivan Rehearsal

TUESDAY, 14 APRIL
2000--Square Dancing with the Shindiggers

WEDNESDAY, 15 APRIL
1930--Feastmasters Club
2000--Cheese Club
2030--Mid-Week Dance
2130--Lobby Sing

THURSDAY, 16 APRIL
2000--Progressive Canasta Tournament
2100--Fun around the fireplace

Easter Eggs Anyone?
The first Easter Egg Hunt at the USO promises to be an annual occasion judging by the enthusiasm of more than 3,600 children and parents who were present. Rumors have been heard of having a separate hunt for the children and another for their parents!

A lot of credit goes to the combined efforts of two student's wives clubs under the presidency of Mrs. R.D. Brady and Mrs. Donald Miller who were assisted by a host of helpers under the general chairmanship of Mrs. George F. Ball.

Assistance to the Easter Rabbit hiding the eggs was given by Evelyn Latimer, Doris Fisher, Betty Dunlay, Rosemary Enright, Fran Butler, Marge Burke, Jacqueline Spencer, Mrs. Charles Bush, Lynn Wadsworth, Betty McAdams, Grace Bremer, Winnie Fisher, Midge Boyd and Robert Noward under the chairmanship of Peggy Bartos.

Betty Lea Rex's committee of Dell McDowell, Kitty Bacon, R. J. Moss, Huey Weidner, Ginny Rowe and Jody Cronman roped off the age group areas.

Assisting in shepherding the children by age groups were Lynn Wadsworth, Ann Gordon, Betty McAdams, Rosemary Duncan, Kay Barnes, Cathy Graves, Joyce Match, Vora Greenway, Liz Schmidt, Mrs. George Rupp, Mrs. Leoneshow, Mrs. Rupert Brodhun, Ann McGinnis, Hazel Robinson, Ruth Terrace, Betty Schlarbaum, Audrey Dickey and St. Horrell.

Publicity was furnished by Rosemary Duncan and Peggy Kunts with announcements in the mall boxes handled by Lorraine Milbuck. Posters and age group cards were made by Cathy Graves, Esther Arthur and prizes were purchased by Neil Gillmore and Rose Ramey. Spears.

Thanks also go to Doc C.L. Krueger manager of the Officers' Club for having the eggs dyed in the galley. There were still be some eggs hidden. Seems the yellow dye made the eggs brown and was hidden in the leaves, they were completely invisible. A dice was given to each child who found an egg with a star painted on it.

Pictures

UPPER LEFT.
"If I were a rabbit where would I place an egg?" says young Max as he looks for one long but still very "things fall apart" at the station. Only some of the 3,600 eggs in the Easter Hunt sponsored by the student's wives' clubs last Saturday afternoon. Max is the son of Lt John Phares, Sec B-1.

UPPER RIGHT.
"What! No more eggs?" says Michael Hill at the end of the hunt. Michael is son of Cdr Donald Miller, Sec B-1. Miller is President of the Line Officer's Student's Wives' Club.

LOWER LEFT.
"Look what I found!" Little Eric, son of Lt Harmon Penny, Sec C-1, prepares to look inside his trophy.

LOWER RIGHT.
"I got more than I did." cries Lucy, she looks at her brother, John's, basket of eggs. They are the children of Lt W. B. Rickman's, Sec A-5.
**EDITORIAL**

**Uncle Sugar Says "Economize!!"

"Do more with fewer people and less money," says the Board of Directors in Washington, and he means it, for this year next year and on into the unforeseeable future. Most of this think of economizing as "saving the dollar" as you can from what you get." Unfortunately, our parent bureau (SUPE), who provides us with the withers paid, does not subscribe to this theory. They arrive at the same end by simply giving us less of everything than we are accustomed to get by on, and telling us to carry on at the currently prescribed pace (or a faster one). And exactly the same thing happens to all departments and offices of the Postgraduate School who share in the available funds.

Industrial wizards tell us that the end product must be the last thing to think of economizing over. "We have no Cadillac Eldorado for you anymore," they tell us, "nor will we leave them off as the first big move to make. Your end product is a mighty sharp officer candidate of the Line School or the Engineering School, and it would be likely to be a very sad state of affairs if any of them were shy of wheels when they rolled off the production line."

Old Ben Franklin's cliché about looking out for the pennies was a good one long before he said it, and it is still very good practice, particularly when things are tough all over. It follows, therefore, that our economizing must begin with the little things, and build up from there. Such a move has all the earmarks of an all-hands evolution. As such, all hands must SAVE penicillin, SAVE paper, SAVE ink, SAVE paint, SAVE lumber, SAVE time, SAVE everywhere on the station, if we are to make the grade. Only with all hands playing their part can we weather the storm and turn out an end product that is up to specifications in all respects. We've "had it", we don't have to like it, but we can do it.

...
Movie Call

Saturday, 11 April
BREAK IN THE SOUND BARRIER - Ann Todd, Ralph Richardson - Excellent family rating

Tuesday, 14 April
NEVER LET ME GO - Clark Gable, Gene Tierney (No rating available)

Friday, 17 April
APOLLO 1022 - Ray Bolger, Doris Day (Color) Excellent family rating

Saturday, 18 April
DESERT HATS - James Mason, Richard Burton (No rating available)

"COUNTLESS", Dog 1/2, 000-00-01/3, USN, Amt Master-At-Arms, became the mother of her pups during the hours 0500-1227 on 2 April 1953. The pups are coming along nicely, as of 0500 2 April. Countess has been on TAD orders, and will be on said orders for the next 6 weeks. (Ed. Note: A. G. Patterson, BM 1/c says so many people want to see the pups that he hopes a picture will be enough for them.)

CALENDAR OF EVENTS

SATURDAY, 11 APRIL
1000-1200 Dinner Ball Room
1200-0300 Dancing Ball Room

SUNDAY, 12 APRIL
0800 Catholic Services Chapel
1100 Protestant Services Chapel
1100 Sunday School Chapel
1215 Catholic Services Chapel
1700-2100 Dinner Ball Room

TUESDAY, 14 APRIL
1030 Lecture "Submarine Auditorium Propulsion Plants" Engineering Auditorium
1330 English Women's Club Lunch & Fashion Show W. Ballroom
1920 Duplicate Bridge E. Ballroom

WEDNESDAY, 15 APRIL
1000-1500 Navy Relief Service Tower Rm.
1600-2000 Dinner Ball Room
1900 Protestant Choir Chapel
2000 Bingo Ball Room
2000 Naval Reserve
2000 Aviation Unit 12-14 E-311

THURSDAY, 16 APRIL
1000 All Day Navy League Convention Culpum.
1315 All Day Aerology/Waves/Lunch E. Ballroom
1800-2100 Dinner Ball Room
1930 Navy Women's Bowling League A. Ballroom

FRIDAY, 17 APRIL
1000 All Day Navy League Convention Culpum.
1630-1800 FREE HOUR
1600-2200 Dinner Ball Room
1930 ROA Ladies' Dinner Fashion Show E. Ballroom
2030-2200 GLS Wives Dancing Auditorium
2000-0300 Dancing

SATURDAY, 18 APRIL
1200 Navy League Lunch Culpum.
1800-2200 Dinner Ball Room
2000 GLS Wives Club Barn Dance Ball Room
2030-0300 Dancing Ball Room

Turn In Those Scores

The Iron Man Competition is underway in intramural sports and should be in full swing this week. It is absolutely impossible to tabulate section standings for the coveted Iron Man, but it is a fact that there’s no contest on Saturday, 5 April game results have not been recorded to date! Let’s get hot and clear the decks of these delinquencies. Stay to the end.

A box is mounted in front of Fleming Hall to receive contest results. It is TODAY!

Pistoliers Ahoy

Do you like to shoot pistols? A range is available for use by all hands at the Air Station from 1600 to 1730 on Tuesdays and Thursdays. Ammunition and calibers .22 and .45 pistols will be furnished or you may use your own.

A meeting of all personnel who are interested in firing pistol will be held in Room F-1, Fleming Hall, at 1600 on Wednesday, 15 April, in order to fit everyone up with ammunition. It is planned to fire at the Port Ord Shooting Range for the first time.

The 1952 Postgraduate School pistol team had a quite successful season which included a trip to Fort Ord with a number of wins and losses. Come and sharpen your eye and we’ll maintain the submarine rifle range for your enjoyment. A range is planned for later in the season.

The Department of Intramural sports has been going strong all year and is ready to start the season. It is possible to arrange for use of the excellent range at Fort Ord. Further information about pistol shooting may be obtained by contacting Lt. Reese, OIC, Room W-207, Ext 357.

ENLISTED SPORT TOPICS

By Bob Miller, T/3

The intramural sports program got started full swing on Monday the 13th with both softball and volleyball. On the 14th we find 5 Div taking on 4 Div softball. If these two teams should take up their old rivalry where the 5 Div left off last year, there should be every indication of a good game. The 14th B Div will tangle with the B Div from 3 Div. The 5 Div may well be the team to beat this year. From all the latest reports they seem to be pretty well set at all positions. In the 17th they have a pretty good ball team and may yet come up with something.
