The Monterey Bay Officer Spouses Club (MBOSC) has undergone several name changes during its history while serving as a vibrant organization for spouses of Naval Postgraduate School students.

From 1961-2001, MBOSC and its antecedent groups – the General Line and Naval Science School Wives Club and the Officer Student Wives Club of the Naval Postgraduate School – published its own magazine, *The Classmate*.

Issues of the magazine offer a warm, personal perspective of family life at NPS and provide valuable feature stories and photos about people and the times. The magazine's April 1967 cover highlights an NPS Little Theatre production of *South Pacific*.

Plans are now underway to digitize this 40-year series and add the publication to Calhoun, the NPS digital archive.

*Historical Highlights are provided by the Dudley Knox Library.*
