Request an Account

If you applied for access **between 1 Aug. and 30 Sep.** your request was **not received** due to a glitch in our system.

Please request another account. We apologize for the inconvenience!

Good News for NPS Alumni!

The Dudley Knox Library is pleased to be able to continue offering **free access** to a select group of NPS licensed scholarly information resources for another year, **through 30 June 2014.**

If you graduated from an NPS degree granting program we encourage you to **Request an Account** and take advantage of these familiar resources.

[Comments \(3\)](#)

How Long Does It Take?

It takes 3-4 weeks for us to complete the registration process. However, if you just graduated we have to wait until your degree is verified which may take **up to 4 months.** We will notify you via email when your account becomes active.

NPS Alumni Resources

Use the links on this page and your Alumni password to access these NPS licensed resources

Also check out the [Open Access](#) and [For U.S. Citizens](#) resource lists.

Jane's

Military systems & equipment, geopolitical & terrorism intelligence, defense news & analysis, country security & threat assessments, and order of battle information.

Note: If you see "This Connection is Untrusted" click through the following. (You may have to do this a couple of times.)

- I Understand the Risks
- Add Exception
- Confirm Security Exception

ProQuest

Multidisciplinary. Select the databases you want to search and then click on Use selected databases.

JSTOR

Humanities and social sciences. Coverage begins with the first volume of each title, with a moving 2 to 6 year lag in the most recent holdings.

Global Information System

Click on Client Log-In
Strategic intelligence on every country and territory in the world. Government, country data, economy, national security, diplomatic information, and special strategic studies.

LexisNexis Academic

Major U.S. and world news from 1980, U.S. and State legal cases, company information, country socioeconomic profiles and news, public figures, statistics.

RefWorks

Citation management software. Users can import and organize citations found in online databases and format them in papers, reference lists and bibliographies using the style of their choice. See the [RefWorks Help page](#) for more information. If off-campus, and not on the network, you'll need the [Group Code](#).

NPS Resource Licensing Statement

Use of these databases and their content is intended for personal enrichment of our Alumni and not for commercial use. Alumni are welcome to access any of the freely available resources on the [main Library website](#); however, please note that access to other subscription databases, most e-journals and e-books, and book borrowing, is restricted to **current** NPS faculty, students, and staff. Please consult your local library for assistance obtaining items outside the offerings of our Alumni resources.
